DEDICATION

MR. WILLIAM GUTBROD

Coach Gutbrod is the kind of person of whom everyone in the school is proud. He is a man that the student body as well as the football team looks up to. I don't believe there is a man with a greater dedication to helping the students of this school.

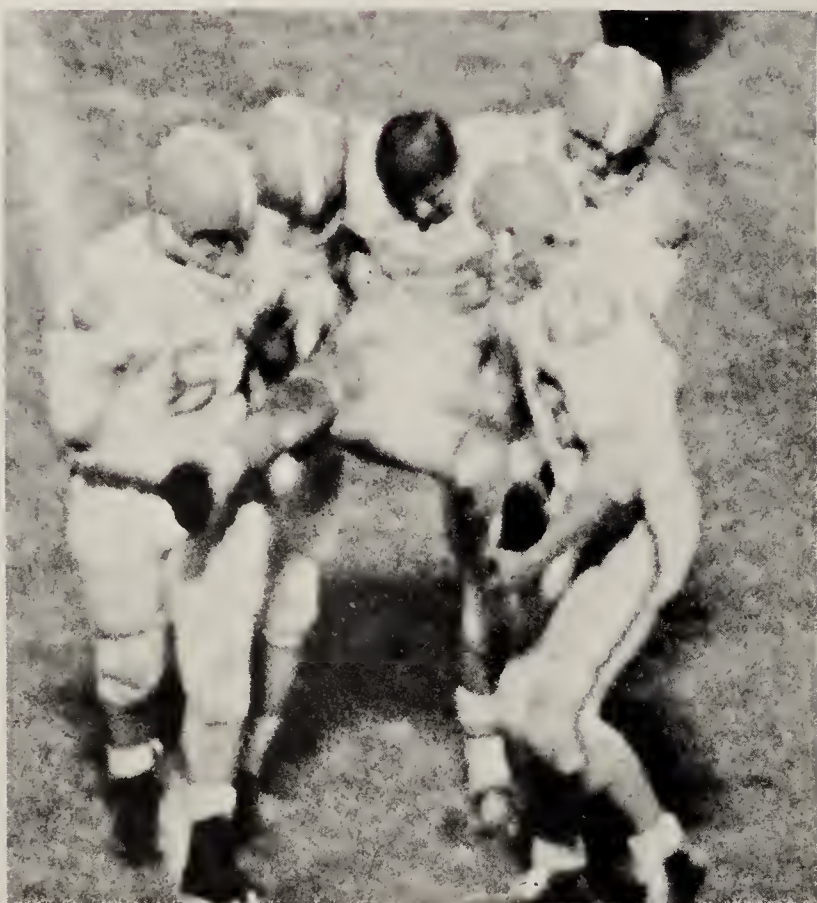

It is readily evident that he is a great coach, but through my experience of playing under him I have come to know him also as a great man. He has a way of inspiring courage in his players. He shows them the true meaning of sports in this life. He is truly deserving of the acclaim he has received.

Enough cannot be said of his ability to help young men develop a sense of loyalty to a cause. Through his emotional pre-game talks he instills a pride which is not satisfied until the Vikings fight their way to victory. His primary cause, however, is to develop men. Many of his "boys" on the team have come closer to manhood after being associated with him.

I feel that I have become more of a man due to my playing under him, and am very proud to have known Mr. William Gutbrod: coach, teacher and man.

ALMA MATER

*Hail, red and blue.
Hail to our alma mater.
Faith and loyalty
to thy name
Is our pledge to thee.
Guide us and lead us;
Make our hearts true to thee,
As we joyfully sing
thy name:
Hail, St. Joseph High!*

PRINCIPAL

June, 1988

Dear graduates,

This message to the graduates of the Class of '68 has been dated June, 1988 since yearbook messages from the principal are usually never read until twenty years later. There is little hope that the message will have had any meaning in 1968 amid the complications of commencement. Time seems to lend more sense to sage advice.

June, 1988 is four years past 1984, four years past the dire predictions associated with this time. How have you prepared to make 1988 a better year than was expected? Did your schooling at St. Joseph prepare you to meet the challenges of the 70's and 80's? Now we can talk about the meaning of our high school days . . . now that commencement is pretty well on its way.

1968 was a great year; it started you on the way and to prepare you to take part in the great life of 1988. Study, hard work, saving and sacrifice brought you to the leisure of the 80's. Was it all worth it? Are you making sure your children are prepared for an even greater future? Do you know Christ so well now that it seems almost time for Second Coming? 1968 was a great year to start.

Sincerely,

Philip T. Aaron

STUDENT COUNCIL

The main goal of the '67-'68 Student Council has been greater communication between the student body and the administration. The officers felt that if the students and teachers were united they could work as a more closely knit unit within the school and consequently could get more worthwhile and beneficial things accomplished. In the Senior Class two experimental committees of students and teachers, the Communications-Relations Board and Disciplinarian-Advisory Board, were set up to deal with problems existing in the school. In addition to this there were many other new and important things introduced by this year's S.C: Homeroom gym nights, student parking-lot guards, and the biggest and best Homecoming in the history of the school.

Without a doubt, the S.C. officers found that the fulfillment of their duties was no easy task. Along with many others they spent a tremendous amount of time and energy to help make this the most successful school year ever experienced by a SJH Viking.

SODALITY

Sodality means a group of guys dedicating themselves to each other, trying to help each other become better Christian men. It means venturing out of yourself, seeing yourself as you really are, and truly accepting guys for what they really are. It means developing a sincere faith, respect, understanding, appreciation, and love toward one another. It means giving your best to the other guy so he might overcome his problems and grow, not as a pious sissy but as a real person. It means really praying to Christ for the courage to make all this happen. Sodality is really rough, but Sodality is really living.

The Sodality Council this year was made up of Tom Herrick, Ed Kelce, John Luonga, Frank Miklavcic, Pat O'Leary, Greg Sirko, Dave Vdovic and Mark Hoffman, Prefect.

LANGUAGE CLUBS

The Foreign Language Club is a new activity on the scholastic scene this year. Composed of five sections, one for each of the five languages taught at St. Joes: French, Russian, German, Latin, and Spanish, the club's purpose is to foster a greater interest in foreign countries and languages. The club hopes to achieve this goal by encouraging outside reading and interests through the meetings. At sectional as well as club meetings, planned programs are initiated. Through individual participation in these projects, the student learns but also has a good time. Contrary to what most people think, learning does not have to be a dull experience, and the Foreign Language Club has proved it this year.

ART CLUB

Generosity, concern, devotion, spirit, all describe the Art Club. Whether it's building spirit for athletic competition with banner signs or helping to make the Homecoming Dance a big success with its Paris scenery, the members have been generous with their time and talents.

Besides our usual jobs of making dance posters and advertising for other clubs and even organizations outside of school, the Art Club is especially proud of their part in the painting of the scenery for Half a Sixpence.

BOOSTER CLUB

This year's Student Booster Club, under the leadership of moderator Mr. John Tigue, President Pete Skirbunt, Treasurer Dennis Eckart and "workhorse" Bill McNeely, once again came through with the work and spirit that have become expected of this important school organization.

Thousands of badges and pom-poms were sold during the football season by the underclass Boosters, while the upperclassmen were in charge of roping off the student cheering sections and chartering buses for the football and basketball games not played in Euclid. Buses were sent to East Liverpool, Erie and Columbus in addition to the nearby games.

DRAMA CLUB

The Gleemen were entertainers for the tired Viking warriors. St. Joe Gleemen began their first season with "The Lottery" and "Visit to a Small Planet" — a study in contrasts. "A Christmas Carol" was performed for shut-ins at Christmas. "The Little World of Don Camillo" was the school's first readers' theater production. "Charlie Brown" is a mini-musical written, directed and acted in by students. A year of successful productions and cast parties marks the beginning of a bright future for the Gleemen.

AVIATION CLUB

The purpose of the Aviation Club this year was to promote the knowledge of the history, development, and theory behind the science of flight. To help promote this interest, students are given the opportunity to fly at Lost Nation Airport and to go on various field trips, such as the one to Burke Lakefront Airport. A ground school was also set up for their benefit.

Through this club some of the different fields of aviation were presented to the students. There is room for great futures in the field of aviation.

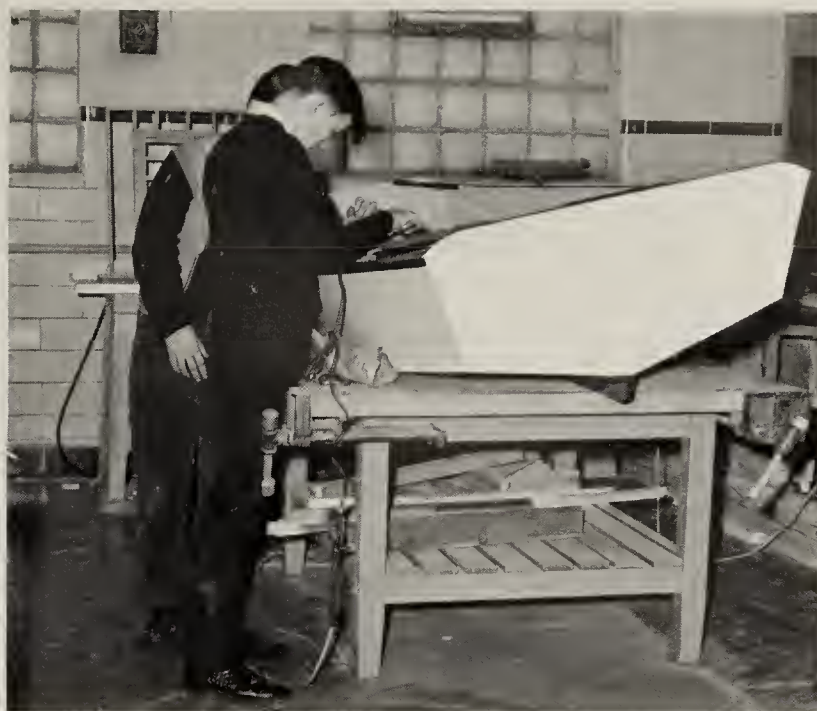

CHEERLEADERS

The cheerleaders this year had a new look — GIRLS
The six girls and seven boys led the fabulous Viking Spirit at both the football and basketball games. The "Lucky 13" consisting of Katie Acton, Carol Sabolewski, Kathy Hrovat, Carol Woidthe, Linda Jackse, Nancy Stroble, Tom Kondzer, Rolf Stangel, John Milakovich, Terry Murphy, Bill Griesmer, Jack Tamburella, Tom Nosse have been another achievement of the Class of '68.

INDUSTRIAL ARTS

The Industrial Arts Club is a club for the members. It can do what you want it to. The club is made up of those who are interested in an Industrial Arts Program. It includes the electricity lab, the wood shop, automobiles and mechanical drawing. Those in the club are free to use any of these facilities at will while involved in the club.

KEY CLUB

The St. Joseph High School Key Club's motto, "Serve With Integrity", is our golden rule. In its third year of existence, our club has achieved numerous honors, including first awards in the State of Ohio. Under the leadership of President Joseph Marko, Faculty Advisor Bro. Donald Schwarber and Kiwanis Advisor Mr. Peter Kotorac, the St. Joe Key Club finished in the top ten of over 160 clubs in the state.

The club conducted a great number of projects this year. One of the most rewarding endeavors was the Annual Thanksgiving Basket Drive. With over \$200.00 collected by our members, we were able to reach over 70 needy families. All in all, it was a very fine year. It will provide a challenge to all future Key Clubs at St. Joseph High.

KNIGHTS OF THE ALTAR

This year's Knights of the Altar is programmed mainly as a building year. The Club is young, comprised of mostly Freshmen and Sophomores. The purpose is to assist the priest at Mass. Our hope with this club however lies in an idea to make it the nucleus or part of a nucleus of students to help their fellow Vikings realize their need for spiritual activities in order to fulfill their school lives.

LIBRARY CLUB

The thirty members of the Library Club spend most of their time behind the circulation desk helping people make use of the numerous facilities and services of the library. They also lend a hand shelving books and magazines and copying various materials for the faculty and the student body. Formal meetings of the club are scarce because the library is constantly in operation from morning till night but a spirit of unity still exists among the members because of their common goals and similar work.

DADS CLUB

 Vice President Mrs. E. Minichello
 Recording Secretary Mrs. A. Kubala
 Corresponding Secretary Mrs. L. Ebert
 Treasurer Mrs. T. Alexander
 Financial Secretary Mrs. M. Buzzelli
 Moderator Bro. Philip T. Aaron, S.M.

MATH CLUB

The purpose of the Math Club this year was to furnish the students a greater opportunity to explore the field of mathematics. The Math Club took part in two major projects. The first was to engage in a preparation for standardized mathematics, both state-wide and nationally, such as the Ohio Scholarship Tests and the Mathematics Association of America Test. The second project was to encourage students, especially underclassmen, to attend summer institutes at various colleges and universities throughout the nation. The majority of these programs were sponsored by the National Science Foundation and consisted of courses in mathematics, engineering and computer programming, as well as various other science courses. The purpose of these was to orient the high school student to college life and study as well as providing valuable vocational guidance.

MISSION CLUB

Though small in size during the 1967-68 school year, the Mission Club worked hard to accomplish its goals. Keeping the needs of the whole Church before the eyes of the student body was the major objective of the Mission Club.

Most of the efforts of the members were in raising money and sending needed materials to specific missionaries. Two hundred dollars was raised for a mission in Koforidua, Ghana.

The club was moderated by Bro. John Veasey and Bro. Richard Lang who replaced Bro. Veasey when he was assigned to Lima, Peru. The club officers were Robert Noll, Vince Castanzo and Bernard Lavrisha.

NATIONAL HONOR SOCIETY

The Father Louis Wiesner Chapter of the National Honor Society here at St. Joseph was established in 1960 and was named after our first principal, who is now teaching Latin. There are presently twenty-three senior members. Election to the NHS is one of the highest honors which can be bestowed on a Saint Joseph student. The members must continually display outstanding scholarship, leadership, character, and service to the school and community.

Officers this year have been Mark Hoffmon, President; Frank Miklavcic, Vice-President; Al Kreczko, Secretary; and Ken Buzzelli, Treasurer.

AUDIO - VISUAL

The Audio-Visual Dept. is involved with the issuing and repairing of motion picture projectors, tape recorders, etc. Although a newly organized club, the A-V Dept. is one of the systematic clubs in the school. Under the Moderation of Bro. Joseph Spehor and direction of Francis Bouer, club chairman, equipment is issued out, repaired and serviced at regular intervals.

PHILODEMIC

Competing on local, state and national levels, the Philodemic Society can be counted on to do justice to the name Vikings.

In debate, the Varsity of Greg Sirko and Al Kreczko has to date lost but one of twelve debates and is counted on by all in the area for big wins in both district and state tournaments. Sophomores Pete Ciofani and Dennis Minichello round out the 4-man varsity.

In debate, promise for the future comes from a Junior Varsity team that has already brought back some brass in the name of St. Joe. In speech, Bill McNeely and President John Skardis are the best in the area in their categories.

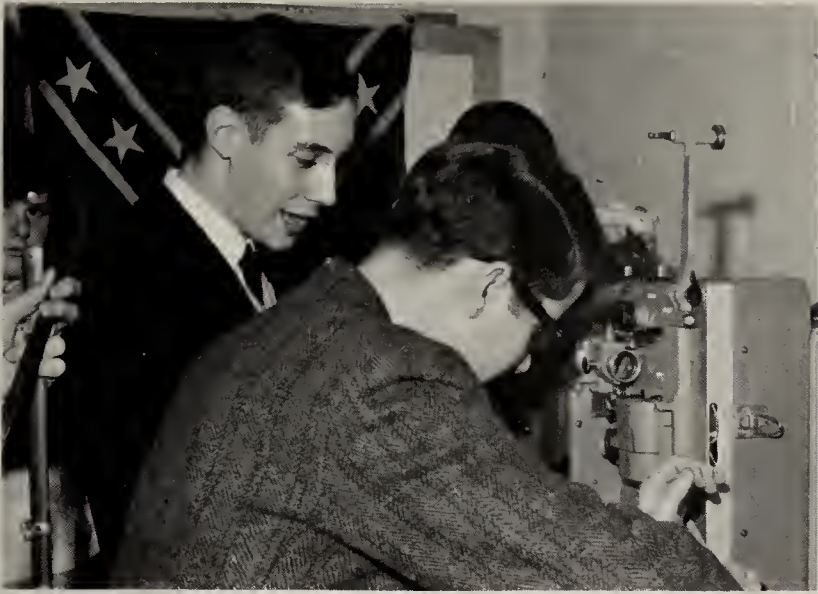

PHOTO CLUB

The Photography Club, under the direction of Bro. Jim Thomas, has accomplished much in the past year. Besides supplying the Yearbook and Norseman with pictures, the club also provided pictures for the athletic, Homecoming and Musical Programs.

The club has six member photographers: two seniors, Dick Schultz, President and Joe Bacevice, Yearbook Photographer; three juniors, Larry Kane, Tom Kastellic, Norseman Photographer, and Greg Myers; one sophomore, Bob Turk.

F. T. A.

The purpose of the Future Teachers of America is to help the student get a better understanding of teaching as a career. The F.T.A. accomplishes this by having its members work in a department as a teachers aide. Each member gets his own choice as to which department and also what teacher he wants to work for. The teachers aide will correct tests and check off homework papers and will also do anything else that the teacher would like him to do. Points are given to the members for every 45 minutes of work that is done, to become a full fledged member. The student must accumulate 100 points and this entitled him to an F.T.A. pin.

RIFLE CLUB

The purpose of the St. Joseph Rifle Club is to instill in its members the proper and safe use of firearms. This is accomplished by safety, instruction and competition. The Rifle Club is currently a member of the Northeast Ohio Scholastic Rifle League. Our record in competition this year was eight wins and four losses. The record this year shows a steady improvement over the past two years, and should be even better next year with all but one of the top eight shooters returning.

RADIO CLUB

The Rodio Club is established as on extra-curricular activity to promote interest in omateur radio. Under the leadership of Bro. Richard Heil, along with the cooperation of the members of the Rodio Club, new projects are continually in operation.

Now that the Radio Club has been relocated, there is o vast opportunity for development. Among these are the construction of an entirely renovoted set of operating equipment. The most essential role of the club is the instruction of the incoming members.

CHESS CLUB

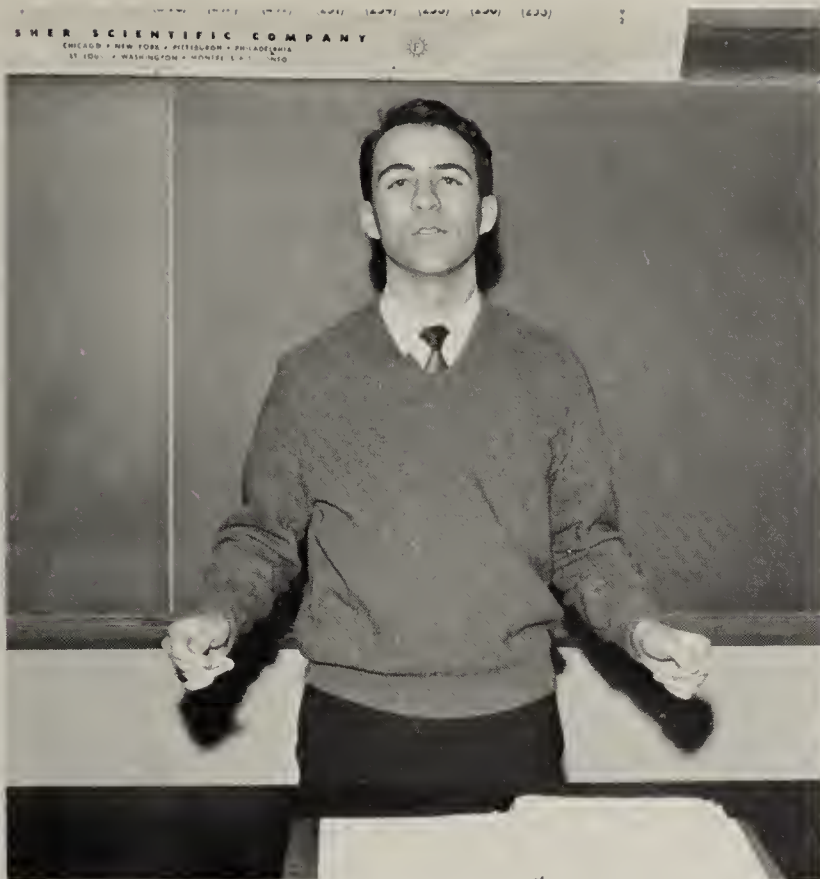

This year, the purpose of the Chess Club has been to foster an interest and enjoyment of the game of chess by assisting the members in knowledge and practice of chess skills. It hos its own Chess Librory ond on adequate number of chess sets. During the year they played each other in a series of matches and were roted according to playing ability. The top ten ployers played in tournaments against other schools.

SPACE SCIENCE CLUB

The Space Sciences Club is a thriving and vigorous organization. Divided into committees on rocketry, astronomy and UFO's, the club this year offered field trisp to NASA and the Planetarium of the Natural History Museum.

The club bulletin, THE SPACE SCIENTIST, is a well written bi-weekly publication and the only publication of its kind in the school.

SKI CLUB

J.C.O.W.A.

The world situation is rapidly increasing in importance in today's news. Unfortunately, few citizens are any more concerned or informed than they were before. Basically, this is what the Junior Council on World Affairs is all about — it is trying to combat this deadly indifference.

Members represent countries, states or other groups at model United Nations sessions, peace conferences and other meetings. This increased knowledge of national and international operations prepares them for their obligation of concern in modern affairs.

SCIENCE CLUB

An organization on the move, the Science Club, under the moderation of Mr. Verner Rudder, made this a year of moving on to new horizons. Completely re-making its organization, it broke into three divisions, the Life, Physical and Earth Sciences, fostering club unity through closer contact between members.

In the scientific area, projects in water pollution, gas chromatography, polarography, and rocketry, as well as lectures, films, demonstrations and field trips combined to give Science Club members a greater appreciation and insight into their complex world.

SERVICE CLUB

the Norseman

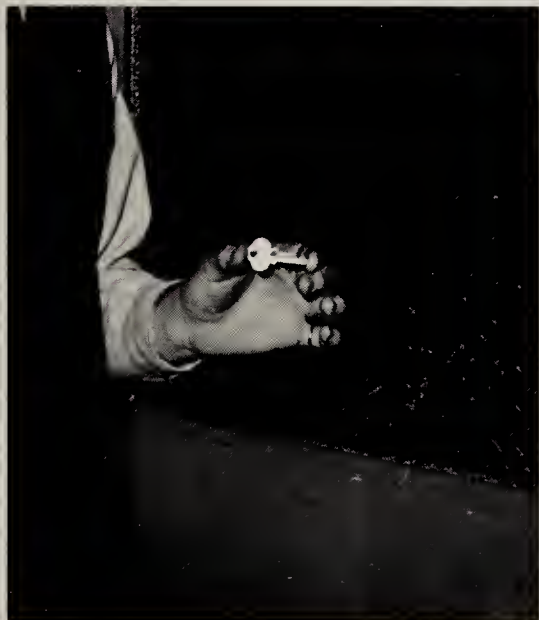

In keeping with one of the primary purposes of good Journalism, the Norseman has again proved to be controversial this year. Beleagured by printing difficulties in the first semester, the Norseman appeared infrequently; nevertheless, it retained its high standards and top-notch caliber. Articles ranged from the ridiculous to the sublime, and its candid editorials on contemporary themes were a subject of controversy for interested students. Despite its difficulties, the Norseman was once again a vehicle of entertainment and information, and invoked many compliments from other local school newspapers.

VIKING

The VIKING boasted an ambitious crew for its 1968 voyage. It was launched by what at first appeared to be the poorest Patron Drive but which eventually turned out to be the most successful VIKING yearbook fund-raising ever. The reader is witness to what ample financial support and a diligent and imaginative staff can unite to produce as a monument to the Class of '68 and to the 1967-68 school year.

CARPENTER

A literary magazine is the sounding board of a school. In it beats the pulse of the students. The Carpenter is no exception. It provides a "market place" where ideas and opinions are presented and evaluated.

The purpose of the Carpenter is to encourage students to express themselves; it serves no special group but all students. All they must have is a genuine concern about life. This and only this can give the Carpenter value. We honestly feel and sincerely hope that we have achieved this goal in the 1968 Carpenter.

GLEE CLUB

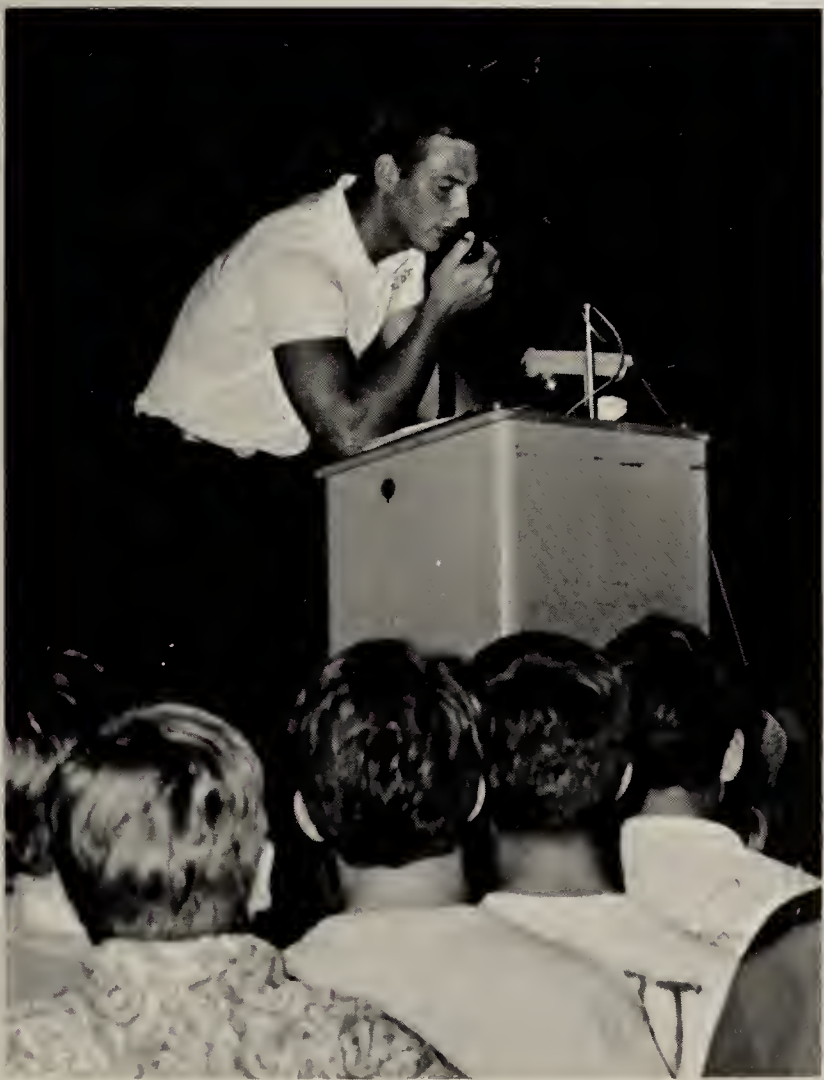

Under the direction of Mr. Thomas F. Weiss, the Glee Club has risen beyond the expectations of all in the Music Department. Quality, tone, volume and quantity are greatly improved over the past years. This year the Glee Club has performed at two concerts, sung Christmas carols at the Shell in Downtown Cleveland, and participated in the State Contests. New to the Club this year, was a group composed of Twenty-one of the best members forming the Viking Chorale. Many of the Glee Club members have found time between all the many practices to give their all and participated in this past year musical, Half A Six Pence.

DANCES

ST. JOSEPH HIGH SCHOOL BAND

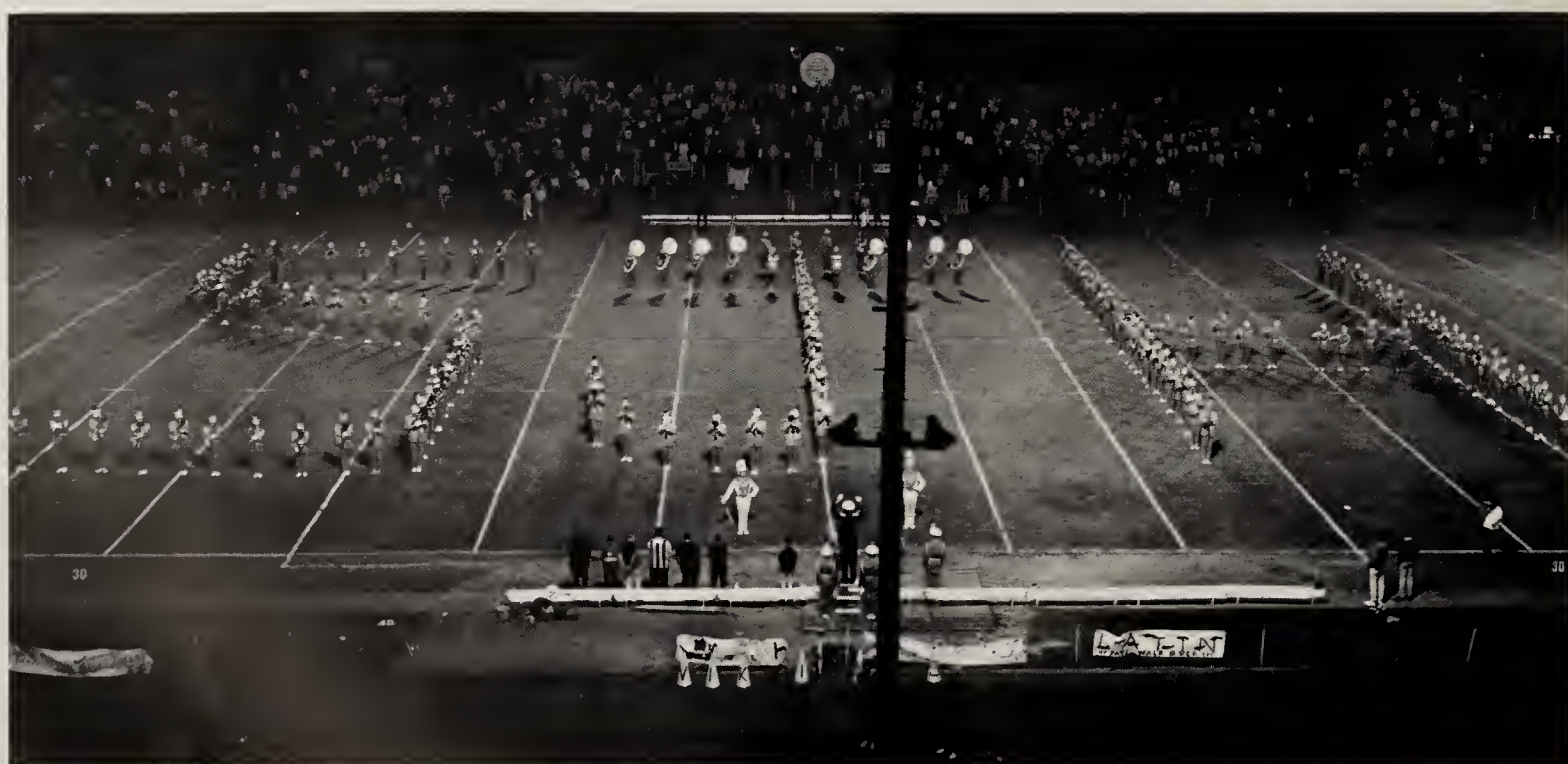

The Viking Band has again upheld a tradition of fine bands here at St. Joseph. This year's band showed its spirit and leadership at our football games. The Marching Band is composed of the Symphonic Band and the slightly larger Senior Band.

Under the leadership of Bro. Dwyer, Mr. Novak and the band officers, the band has completed over fifty activities this year, among them the two annual concerts, football games, parades, rallies, musical and other special functions.

This year the Stage Band took the spotlight playing at rallies, going on a tour and playing for the reception. The Stage Band, plus a few specialty instruments, formed the excellent orchestra for this year's musical, Half a Sixpence.

MILITARY BALL

MUSICAL

The purpose of the musical is to give training in the arts of drama, music, dance, stage craft, lighting, make up and scenery concepts. To achieve these results, an understanding and experiencing of Christian Community, commitment, and dedication is necessary on the part of all students involved, thus resulting in the excellence and reputation our musicals have achieved over the past years.

Under the direction of Bro. Gerard T. Dwyer and a twenty-four member dedicated staff of religious and lay men and women, this year's production of HALF A SIXPENCE played to full houses on three straight weekends. The talented 220 young men and women involved experienced something that they will remember for the rest of their lives. Congratulations to the entire cast, especially to Joe Dougherty, Barb Turk, Candy Corr and Tom Krueger for a job well done.

VARSITY FOOTBALL

Head coach Bill Gutbrod gives the "get tough" signal as his assistants, Chuck Walukas, John Faragher and Frank Pasarella watch on.

A group of seniors watch from the sidelines late in the game with St. Vincent.

The football season began with a mild amount of optimism. It would be hard to even attempt to match the previous year's undefeated season, and the schedule itself would be the toughest ever faced by a St. Joseph varsity. The team was small, compared to those of previous years, but they had speed. As for spirit — that was a question mark.

Then came the year's first rallies, and all doubt of spirit died quickly. Mr. Gutbrod called it, "The greatest show of spirit ever displayed in a single weekend at St. Joe's", and predicted a victory over neighborhood rival, **Euclid**. The prediction was fulfilled in a manner the Euclid fans will not soon forget. The small but fast Vikings piled up a 27-0 halftime lead on runs by Herrick and Savickas, and a 53 yard pass-run combo by Campolieti and Boylan.

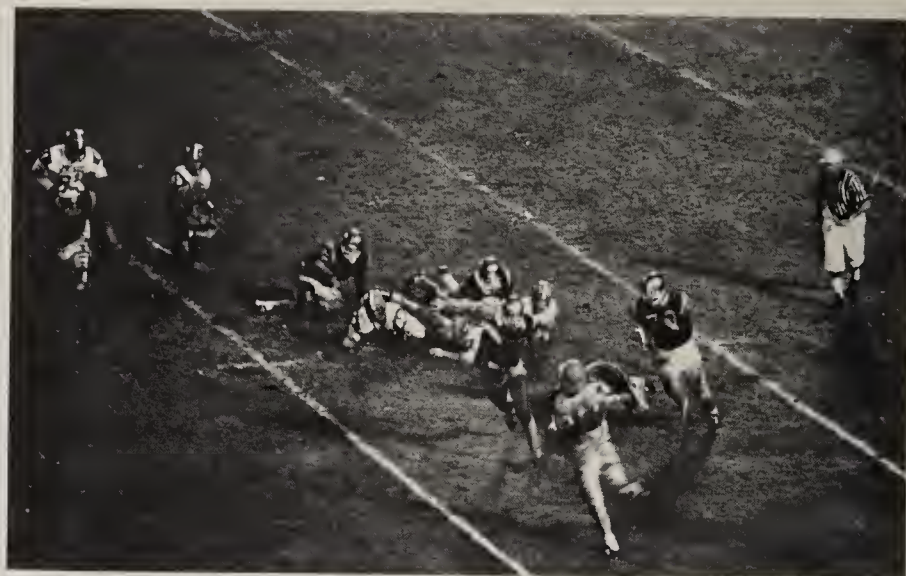

After Roy Burton scored his first touchdown of the season and Tom McCreight hauled in a 16 yard TD pass from Campolieti, thus raising the margin to 40-0, Mr. Gutbrod ended the pounding by emptying the bench. The second string gave up only one touchdown to account for the final, **40-7** score. In the sixth straight victory over Euclid, the Vikings ran up 448 yards in total offense to Euclid's 132, and allowed Euclid only 3 first downs until the fourth quarter.

The game against sister - school **Cathedral Latin** was tougher, but again St. Joe came out on top, **14-0**, as Burton and Savickas each scored a TD, with Scott going for a 65-yard TD run after a tremendous goal-line stand by the impressive Viking defense.

Then came what was to be the first test of the year. **Akron Hoban**, undefeated, state ranked, and boasting one of the state's best fullbacks, scored a quick touchdown and forced the Vikings to play catch-up. Several Viking drives were stopped just short of the goal, and a fumble and an interception handed Hoban's Knights two timely breaks. On the first drive of the second half, Savickas broke open for a 32-yard touchdown run, shaking off several tackles on the way. Hoban regained the lead with 1:57 to play, but the team and fans refused to give up; Tom McCreight made a sensational catch of a Campolieti TD pass, and made another diving catch to tie the game, **14-14**, with 1:02 to play.

Hours of practice resulted in a winning team.

Herrick takes off for a long gain against Latin.

Bill Planisek's field goal, the first in the school's history, eludes the grasp of a St. Edward defender.

Burton runs away from several St. Vincent defenders on one of his three TD runs.

Tom McCreight makes one of his several clutch grobs against Akron Hobon.

Scott Sovickos looks for running room while Kobie and Pivoriunos take out two Toledo defensive men.

Two clutch blocks are thrown on St. Ed defenders as Burton finds a hole in the line.

The team then journeyed to **Columbus De Salles**, and though they scored four touchdowns, only two counted due to penalties, and St. Joe had its third victory of the year, **12-0**. Savickas and Evanchick scored the TD's. De Salles was outgained 343-177, and the defense stopped a TD drive with another goal-line stand.

Then came the homecoming game against **Akron St. Vincent**, the team that had spoiled the previous year's season with a 6-6 tie. Determined to gain revenge, Cleveland's number one team blasted the Irish, **27-6**, on three TD's by Burton and one by Savickas. St Vincent tallied on a fourth down desperation pass, after which Burton tore up the field en route to a 72-yard TD scamper. The Irish had no fight left, and our defense held easily. McCreight and Kobie each blocked a punt to set up the first two Viking touchdowns. St. Vincent was held to a mere 33 yards rushing, while our rushing attack totaled 299 yards.

After being sky-high for the homecoming, we were quickly brought down to earth by the season's most shocking upset. Chancel's Firebirds, sporting a tough defense and a running attack that gained first downs when they were needed the most, held a 12-0 lead before McCreight put us on the scoreboard late in the first half. But we couldn't score again, and **Chancel** scored the clinching touchdown on a long run. Final score was **18-7**, and we dropped to second in the ratings.

Determined to show that they weren't as bad as the last game's score might've indicated, the team crushed **Padua, 60-0**, the following week, spoiling the Bruins' homecoming. Holding a 34-0 lead at halftime, the Vikings put in the second string, which showed offensive and defensive punch against a dazed Padua team; the 60 points amounted to a new school record for one game.

Then came the game of the year. **Toledo St. Francis**, fifth in the state and riding on a 21-game winning string, invaded Euclid stadium with a powerful offense, a tremendous defense, and several busloads of confident students, who attached a large sign which read "Catch #22" to the visitors stands. Their fans were greeted by 7,500

roaring Viking rooters, and their team was met with 23 points, the most scored on them in two years. Ray Evan-chick broke away for a 75-yard TD run in the first period to give us an early lead. But more than that, the TD gave the team confidence. Burton scored in the second period to give us a 15-8 halftime edge, and Campolieti hit Boylan with a 40 yard pass to give the Vikings a first and goal on the Toledo one yard line. Burton blasted over for the TD, and DeMinico passed to Boylan for the extra points which proved to be the winning margin in the **23-21** victory, hailed as, "One of the greatest high school games ever played."

The following week, the Vikings visited **East Liverpool**, which was tied with us for the #13 spot in the state. Campolieti was injured in the first quarter, and the hosts took advantage of numerous Viking penalties to roll to a **34-12** victory. Junior Jim Stephens managed to pass for two TDs to Boylan to account for our scoring. Several threats at the East Liverpool goal were stopped by penalties.

The season's last game against arch-rival **St. Edward** had quite a bit riding on it, including a share of the Crown Conference title, possession of the Spang-Will memorial trophy, and a high area ranking. What had promised to be a fine, hard-hitting game was instead a mudbath, and neither team could get much of an offense going. Early in the game, punter Tom Boylan picked up the ball after a high snap from center and ran 58 yards to the St. Ed 17. A few minutes later Bill Planisek kicked a field goal, the first in St. Joe's history, from the 14 yard line with a wide angle, and St. Joe put 3 big points up on the board. Later in the half, the Vikings recovered a bad snap on the Eagle 30, and then mushed their way to the five yard line. Burton took it over from there, and Planisek added our tenth point. With only 50 seconds to go in the game, and the Vikings on the St. Ed 45 with a third and long yardage situation and a **10-6** lead, Junior QB Jim Stephens swept right end for thirty yards. St. Joe had permanent possession of the Spang-Will trophy, a share of the Crown title, and a **7-2-1** record.

Up the middle for a few more hard fought yards.

Roy Burton goes over for one of his three TD's against Akron St. Vincent.

Unleashed force. Unstoppable action.

George Herrick flies by against Haban.

"East hike left 19 behind, pull blacking on go."

Campalieti turns the end as Yanchar comes over to take out a defender.

Dan Geraghty just misses a score as the scoreboard tells the tale: St. Joe 27 — Euclid 0.

Scott Savickas prepares to make a fingertip grab.

VARSITY CROSS COUNTRY

John Polgar hustles his way to a seventh place finish in the state.

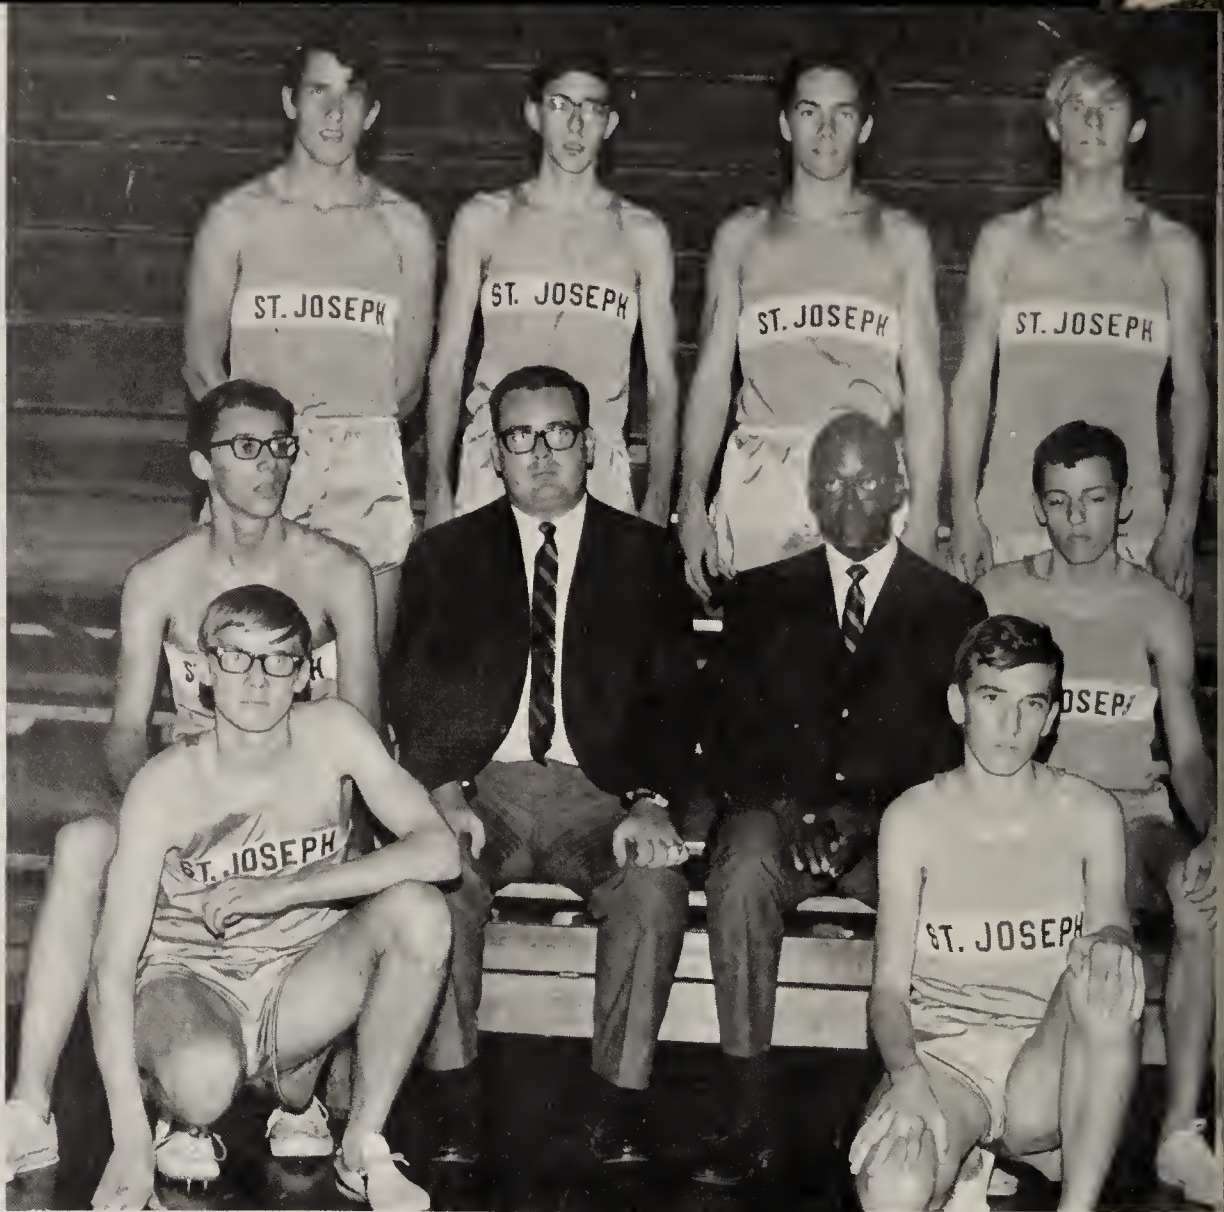

Effort plus Pride equals Victory

On Sept. 30, 1967, the horriers handed first-year coaches Hugh Howard and Dan Gillespie the eighth annual St. Joseph invitational trophy, defeating twenty-six of Ohio's best teams in the process. The following Saturday they traveled to Erie, Po. to bring back a four foot high first ploc trophy as defending champions. Fate struck back that same day os Tom Herrick was stricken with oppendicitis, which put him out for the remoinder of the season. A few days loter a second blow came, as Mike Rogers tore a cartilage in his knee. These setbacks were overcome in the personages of junior Tom Smith and sophomore John Schmidt. They traveled to Gates Mills where they swept the Gilmore Invitational with a record low point total. Dave Udovic, undoubtedly the greatest man on any cross-country team in the history of St. Joe's, set the course record of 9:13.6 for a two mile course, a record which seems unbeatable. Traveling to Pittsburgh for the Centrol Cotholic Invitational, the team finished o close third, only five points behind the leaders.

The drive for what was hoped to be a third straight state title then begun. The Vikings took the districts, placing all seven men in the top fourteen. The regional elimination posed no serious threat either, with the five scoring members, Udovic, Polgar, Rogers, Smith, and Schmidt, finishing in the top eighteen. Coming into the stote meet at Ohio State in Columbus, the team finished a disappointing second in the stote, losing by only nine points to o surprising Worthington team.

At the annual fall sports banquet the team honored the Class AA stote runner-ups, naming Dave Udovic os the MVP, John Polgar the most improved, John Schmidt the outstanding sophomore, Tom Smith the outstanding Junior and Tom Herrick the most courageous. Tri-captains for next year are Pat Ryan, Ray Kirchner and Tom Smith.

Our talented Junior vorsity finished first in the St. Joseph's invitational, Gilmour Invitational, and the district elimination. In the district meet, which is as far as JV teams are permitted to go, they placed first with the first five finishing first, second, fourth, fifth and seventh, far a point total of nineteen. With this backbone onother shot at the state title is foreseeable in the near future.

Front Row: Ken Udovic, John Schmidt. **Middle Row:** Jim Emser, Coach Gillespie, Coach Howard, Ray Kirchner. **Back Row:** John Polgar, Tom Smith, Mike Rogers, Dave Udovic.

Ray Kirchner shows the form which earned him the honor of being named one of the Tri-captains on next year's team.

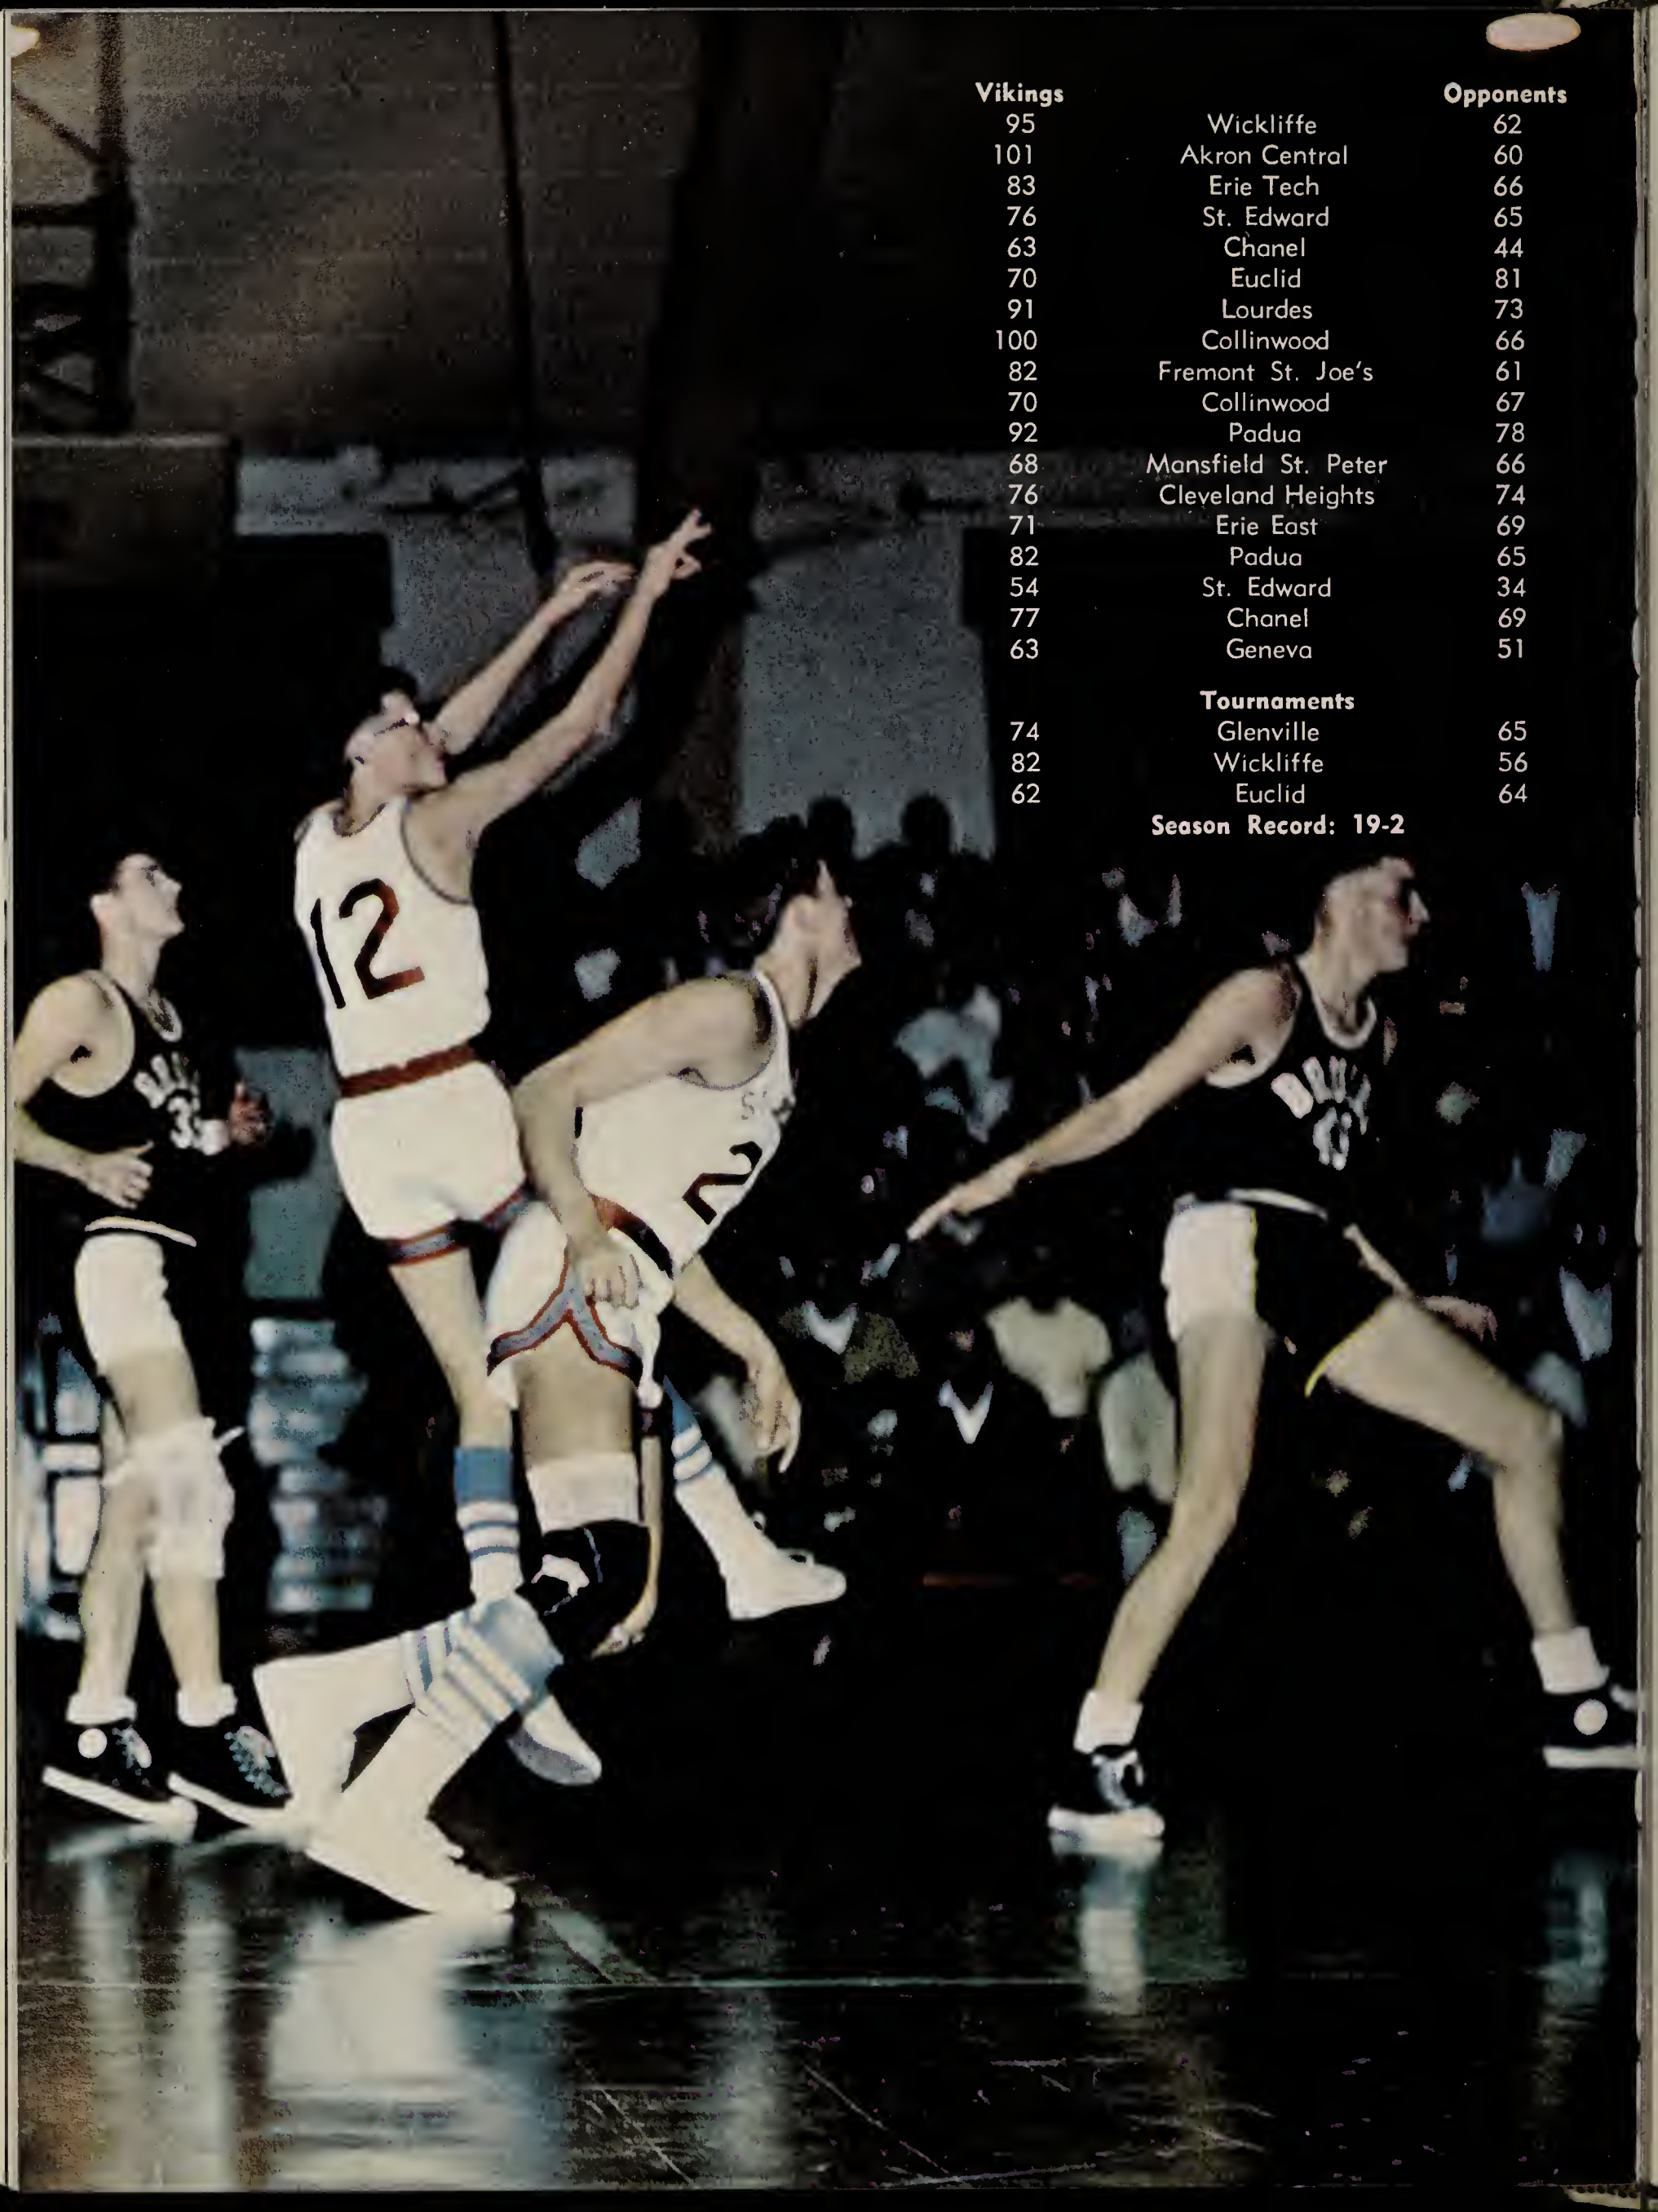

Dave Udovic is seen in on unfomilior situation — second place.

A rather dejected looking cross-country team accepts the second place trophy.

Co-coptain Dove Udovic is shown as he leads the pack in the Akron regional, followed by John Polgar and Mike Rogers.

* Record for team scoring average in a season

** Individual season scoring record

There was the usual amount of hope and mild optimism at the beginning of the 67-68 basketball season. Tom Johnson, Tim Delaney and Mike Guilfoyle were back from last year's squad, but it had been a long time since St. Joseph had had a powerful basketball team, and nobody was expecting too many miracles.

The first game was against **Wickliffe**. In an amazing display of power, the Blue Devils were blown off the court in a **95-62** Viking romp. The home opener against **Akron Central** was settled before the end of the first quarter, as Coach Straub's men built up a 31-11 advantage and then stormed their way to a **101-60** victory. Next to fall was **Erie Tech**, as Johnson hit for 33 pts. in an **83-66** win in which the Vikings turned on their speed after trailing at halftime.

In the **St. Ed** game the Vikings went to work early as Mike Guilfoyle hit for 22 points, including 12 foul shots; Delaney scored 19; and Johnson and Tom McCreight combined for 24 as they racked up victory number 4, **76-65**. **Chanel's** Firebirds were the next visitors. After a fairly close first half, the Vikings pulled away to another easy Crown Conference win, **63-44**.

Second ranked **Euclid**, featuring a 6-8 center, were the next guests of the undefeated Viking five. While Delaney, Lyons, and Johnson battled Al Vilchek and Jeff Booms to a deadlock on the rebound department, they couldn't hit the nets with any consistency, and St. Joe fell, **81-70**. Determined to not experience a letdown, the team plastered **Lourdes 91-73**, **Collinwood 100-65**, and **Fremont St. Joe 82-61**. A rematch with **Collinwood** was almost disastrous, but Johnson made five straight points in the final period to lift SJH to its ninth win, **70-67**.

The **Padua** game was highly publicized, but St. Joe rocketed to a **62-44** halftime advantage as Mike Guilfoyle bombed the nets from the outside for 21 points. He finished the evening with 28 points and Johnson had 30, while the team rolled to a **92-78** victory.

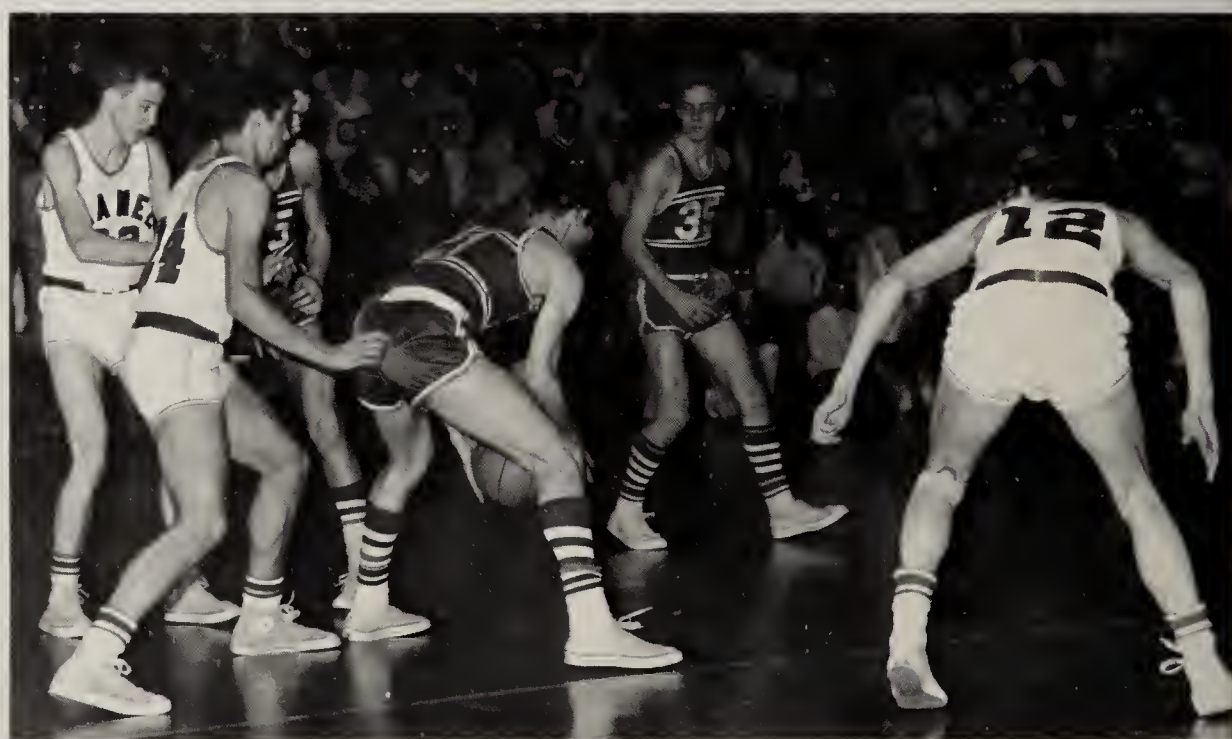

A thrilling **68-66** victory over **Mansfield St. Peter** was matched the following evening as Jeff Bogo and Johnson led the Vikings to their second two point victory, **76-74** over a surprisingly tough **Cleveland Heights** team. After

these two close wins, fans wondered whether SJH could possibly hope to upset undefeated **Erie East**, Pennsylvania's number four team. They were answered with a **71-69** win in which Johnson, who totaled 29 points for the night, sank the winning basket on a left-handed layup with three seconds on the clock. Leading by only one point at the half, the Vikings broke the second **Padua** game open in an awesome third quarter en route to an **82-65** victory. At **St. Ed's** the next night the team ran up a **54-34** decision. **Chanel** was next on the docket and they put up a spirited battle, but St. Joe again triumphed, **77-69**, and in so doing they wrapped up an undefeated Crown Conference season.

Mr. Straub's highly-touted Vikings were equal to the challenge that upset-minded **Geneva** posed, as the Vikings broke away from an 11-11 tie in the first period to a **63-51** victory. St. Joe's thus closed its season with a 17-1 record, second best in the school's history, averaging a record-breaking 78.5 points per game.

The end of February came, and with it came the annual tournament madness. Third-seeded in the Eastlake North sectional, the team was determined to get another crack at Euclid and get into the districts. **Glenville** was the first opponent, and the fired-up Tarblooders gave a real battle. But the poised Vikings pulled away in the final period and won, **74-65**, as Delaney hit for 27, Johnson 18, and Guilfoyle 14 points.

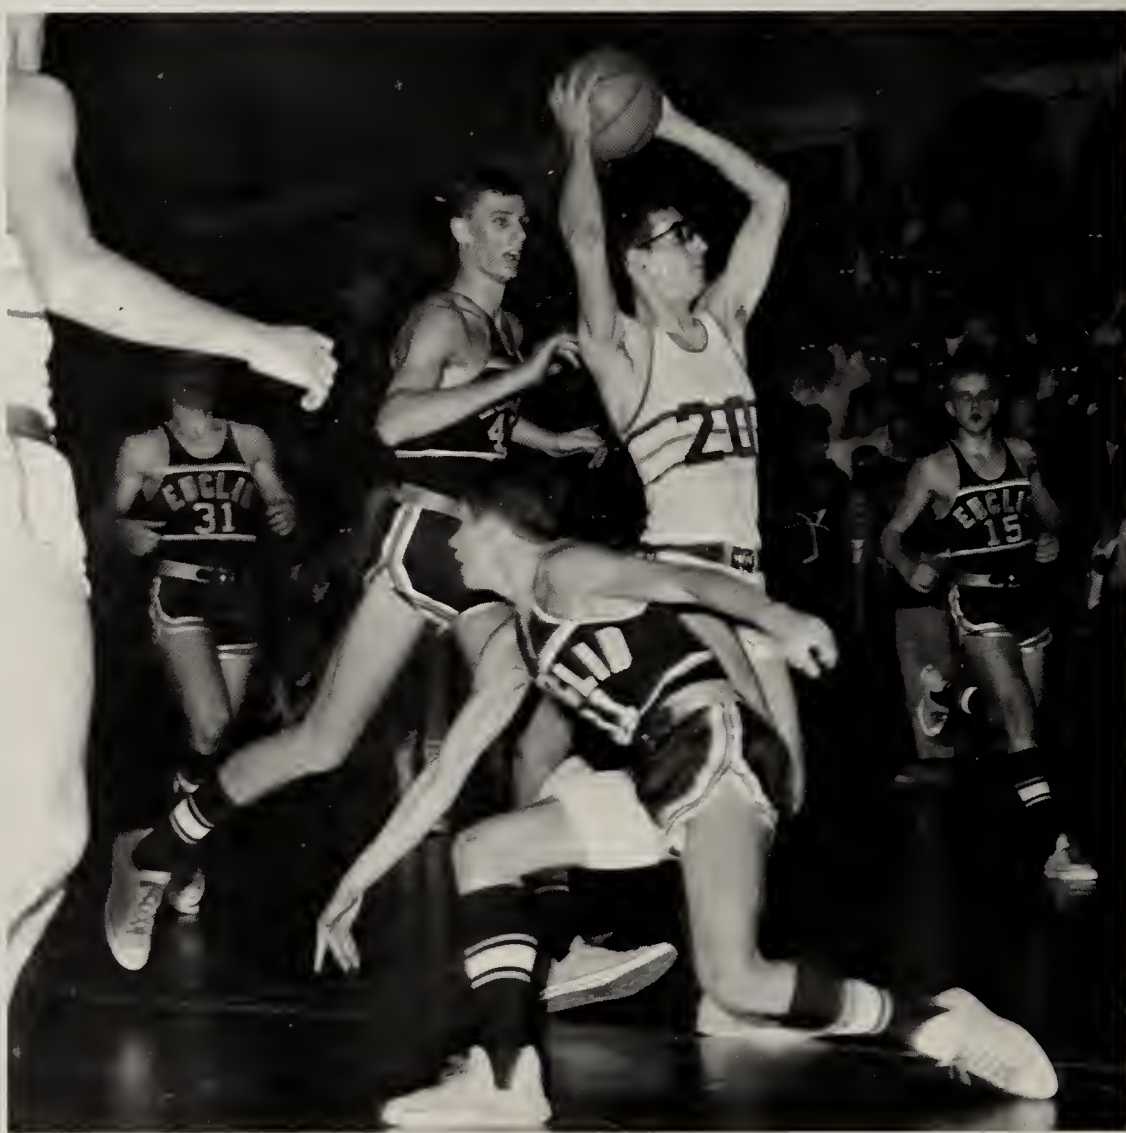

Wickliffe was the next opponent, and they fell easily, **82-56**. The Viking bench was emptied and most of the team got into the scoring act.

Now the proud possessors of a 19-1 record, the St. Joe team and student body prepared to meet top-seeded **Euclid** head on. The entire team played a brilliant game, as they took a 44-43 lead into the final quarter only to fall by two points, **64-62**. The stunned team and student body had seen a five-point lead whittled to nothing in the final minutes, and though disappointed, they felt no shame as they left the Eastlake gym with a 19-2 record.

To cap off a tremendous season, Tom Johnson and Mike Guilfoyle were chosen to the area all-scholastic teams. To these men, to Coach Straub, and to the entire team, we offer our sincerest congratulations.

"Come on Tim, put it in, put it in, put it in: sink it"

Mike (Twiggy) Guilfoyle shows off his excellent ball-handling skill.

The man who is most responsible for St. Joseph's sudden revival as a basketball power is Mr. Straub, our first-year coach. After compiling a brilliant record with the JV teams, he was promoted to the Varsity post in succession of Mr. Guilfoyle. As the new head coach, it was his responsibility to mold men with individual talents into a team. He did more than that; his team was recognized as one of the most powerful squads in the area. He himself was chosen "Coach of the Year" in the Crown Conference.

He and his team gave St. Joe's an unforgettable season. For these tremendous efforts on the part of team and coach alike, what can we say but a heartfelt "Thank you — you were fabulous!"

TRACK

Just by looking at some of the talent present in some of the returning letermen on this year's track team, it was evident that it would uphold the VIKING tradition of powerful ST. JOE track teams of the past. Under new coaches Mr. Thomas Banc and Mr. Hugh Howard, it looks like the backbone of the team again are the distance runners. Heading the list is co-captain Dave Udovic, along with Mike Rogers, John Polgar, Dave Boyle, Pat Ryan, Ray Kirchner, Jim Emser, John Schmidt, Tom Smith, and Ken Udovic, all prominent members of the cross-country team. Leading the dashmen and sprinters is co-captain Greg Santos. Included in this category are Bob Balish, George Herrick, Bill Ciszczon, Paul Bobrowski, Tom Boylan, Gary Felmlee, Chris Mullan, and Dan Gerahty. The weightman are also strong with grid star Tom McCreight and junior John Shinsky, who placed one-two in the inter-scholastic meet at the Arena, along with senior Ed Primosch. Boylan doubles as a high-jumper and is the most reliable performer in that category.

The summer of 1967 saw the Viking A and B teams again place high in the Euclid Class E League. After tying for first place during the regular season with an 18-3 record, Viking A lost the championship to the Euclid Admirals by a score of 3-2 in 10 innings. Under manager Mr. Terry Thomas and coach Mr. James Stepp, they finished the season with an overall record of 21-7. Viking B finished close behind in third place with a 14-7 record, and went on to capture the Whitey Lewis tournament at the end of the season. Both the A and the B team were well-represented in the All-Star game, with five players from A and four from B participating.

The 1967-68 school year was also historic for Viking baseball in another respect. It was announced that for the first time in the history of the school, St. Joe would field an interscholastic baseball team. The first varsity baseball team began its schedule in April and continues through late May.

TENNIS

Unlike the golf team, the tennis team of this year is very similar to that of last year. Four of the seven regulars from last year's team are back under their veteran head coach Mr. John Tigie. Singles men returning were John Skardis and Greg Sirko, first and second singles respectively. Also returning was the second doubles team of Joe Martinich and Al Kreczko. In addition to these regulars, there are several other juniors and seniors who are capable of moving into an opening at just about any time and filling the slack.

Front row: Andy Barath, Chuck Habjan, Al Kreczko, Joe Martinich. **Second row:** Todd Smayda, John Skardis, Greg Sirko, Bill Planisek, Mr. John Tigie, head coach.

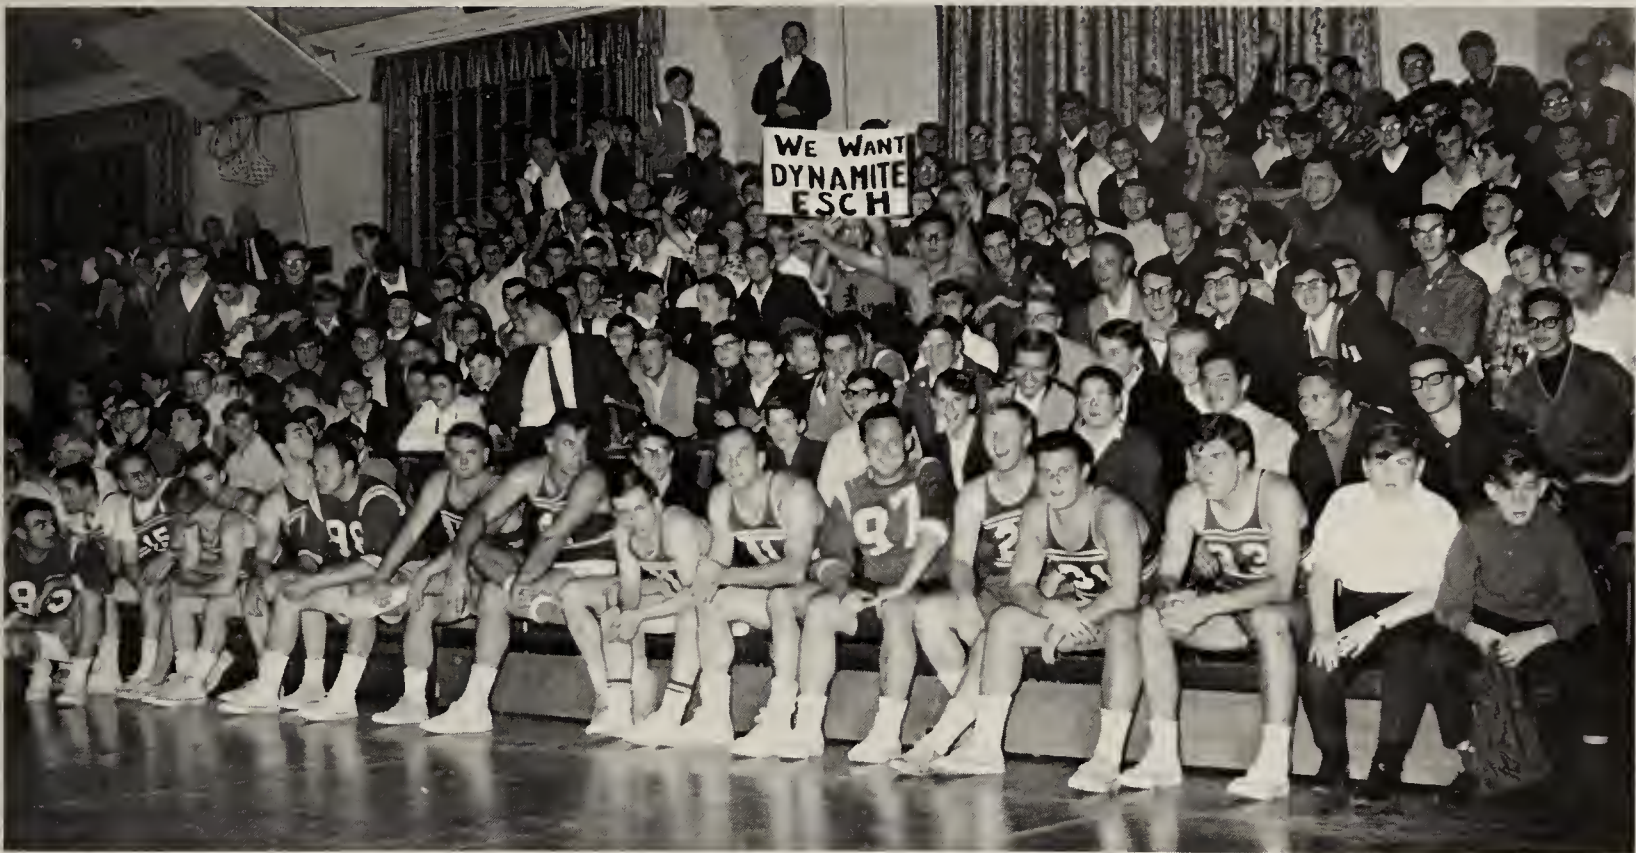

GOLF

With the start of this year's golf season, it was evident that this year's team would be hard-pressed to continue the tradition built up by the Viking golfers in the past. This fine tradition included six All-Catholic League championships. Gone from last year's fine team were the first four members. As if that wasn't enough, Mr. Bill Vogel, head coach, was gone also, having accepted a head football coaching job in Illinois. Replacing Mr. Vogel was Mr. Frank Passarella. The fifth and sixth positions last year alternated between the then underclassmen Bill Griesmer, John Hegler, Pat Jochum, and Joe Dougherty. These four would serve as a nucleus about which a fine team could be built.

Left to right: John Hegler, Bill Griesmer, Mr. Frank Passarella, coach, Joe Daugherty, Pat Jochum.
